

Claims Management

Ushacomm recently deployed an independent Claims Management solution for an Eastern European triple-play operator. The solution has transformed the Customer's Claims Management process and optimized the system landscape resulting in cost savings & improved process efficiency.

Ushacomm's solution now helps manage invoice and claims inquiries with the end customers by providing a single view to invoice, remittance, claims data and status. This ensures timely access to data for better financial management, more robust payment and reconciliation along with enhanced security, audit and control.

Ushacomm is the Telecom Solutions brand of Usha Martin Technologies. A global OSS/BSS provider with more than 55 installations worldwide, Ushacomm has vast experiences in developing, consulting, implementing & maintaining high end IT solutions for the Telecom Industry.
